# PREFACE

**Dr. Bishnu Charan Patra**  
Principal

Congratulations!  
Inspiring Heroes of Nilachal Polytechnic.

Nilachal Polytechnic is having a long standing tradition promoting Diploma Engineering Education, offering diverse branches of learning and outcome based teaching-learning process. All the departments have evolved a comprehensive student-centric learning approach adding significant values to the learners understanding.

It is always a pleasure and pride for the Institute when its Alma Mater creates name and fame for themselves, their family and for the Institution by their hard work, devotion and commitment. We feel proud to publish success stories of many of our Alumni who are serving industries and Academia in various capacities. We are in the process of publishing success stories of thousands of other passouts shortly. We hope that the unfold stories of our heroes will inspire our students to be successful in their future endeavour.

Today Nilachal Polytechnic is no more an Institution but is a family in which Management, Staff, Students, Parents and Alumni work unitedly to foster family spirit.

We once again thank everybody for creating history by narrating untold stories of our Inspiring Heroes.

**God Bless All**
